This is your last chance to secure your slice of paradise, with the last section available at Pauanui Waterways.

This 784m2 site is the perfect place to build your dream home with a flat and ready-to-build site and services onsite. This section is part of the Terraces subdivision in the exclusive Pauanui Waterways on the Coromandel Peninsula, and is set in a prime location, within a stone's throw of the Waterway beach, as well as tennis courts and playground.

Hopper Developments is a family owned and operated company with over 70 years experience in property development. Our passion is delivering quality property options in the pursuit of establishing communities and enriching lifestyles. The lifestyle this development provides its owners is envied by many. Don't wait to make the move.
